

NORTHRIDGE CHURCH SENECA CAMPUS

NorthRidge is a community of people created by the Gospel of Jesus Christ. We exist to Reach and Equip people for Christ without borders. The Word Of God is our final authority for everything we believe and live. Our hearts desire and prayer is that we could impact the community for Christ. What that means is walking side by side with people as we tell them about the Gospel. The Gospel is the amazing power of God to save us sinful people. This is the Gospel that will lead them to a deeper relationship with God through Jesus Christ.

We don't want to be known for trying to be "perfect" Christians because no one is perfect. But what we do want to be known for is our continual repentance/changing/shaping into the character of Christ. If we have the same character of Christ we will feel an aching heart for the lost. The lost are people who don't know Christ and have never heard that there is a better life than all of the vanishing pleasures of empty sin.

Now that you know what drives us let me tell you a little about the history of NorthRidge Seneca. NorthRidge Seneca started in the fall of 2012 as just a group of people praying for the community. This was a diverse group of about 20 people who believe everything I just said. Then in January of 2013 we gathered for the first Evening Church Service at Valentinos. After they closed in the Fall we didn't have anywhere to meet so we met one Sunday in the City Park. The Congregational Church offered us to meet in their Church the following week. Then in the Summer of 2014 the Congregational Church offered us the building. It was purchased in September of 2014. That is when we began remodeling, and 7 months later we are almost done....

Someone asked me if we were going to have an "Open House" when the project was completed.... to which I responded, "Yes, Every Sunday is an Open House" Going forward we are passionately committed to making disciples until Christ returns or he calls us home. We are excited to see all that God is doing in the Seneca community.

-In the Love of Christ
Jason
